IT'S NOT GRADUATION

SYNOPSIS

The general conception that Confirmation is "graduation" is challenged in this film using some interesting comparisons.

SUGGESTED USES FOR THIS VIDEO

† At any point in a Confirmation program, this film will help you address the misconception that Confirmation is a graduation of sorts. Use it with both your teens AND their parents. Your youth got that idea from somewhere, right?

QUESTIONS FOR DISCUSSION

- 1. How do people generally treat Confirmation?
- 2. How does this film apply to the common attitude toward Confirmation?
- 3. What is your attitude toward Confirmation?
- 4. What are your plans after Confirmation?
- 5. If you don't have any, how will you share the gift of the Holy Spirit with the world around you?
- 6. Do you think it's important to use this gift? Why or why not?
- 7. As a group, brainstorm a list of ways you can live out your Confirmation. Break that list down into personal/private ways and public ways.
- 8. Take a minute or two and choose at least one from each list and commit to those two ways of living out your Confirmation.
- 9. Is there anything keeping you from doing this? If so, what is it and how can you overcome that obstacle?
- 10. Reflect on this quote from the end of the film:
 - "What does it mean to receive the 'seal' of the Holy Spirit? It means being indelibly marked, inalterably changed, a new creation. For those who have received this gift, nothing can ever be the same!" —Pope Benedict XVI

DISCUSSION GUIDE

- What does "indelibly" marked mean?
 (To be marked in a way that is impossible to erase.)
- 12. What does "inalterably" changed mean? (To be changed in a way that is impossible to modify)
- 13. Would Pope Benedict use these words to describe the seal you receive at Confirmation if it were simply a "graduation" from Church?
- 14. How does the Pope's quote help you to see the importance of Confirmation?
